

ERIE EARTH DAY SUMMIT 2018

April 22, 2018

Celebrate Earth Day this year with Climate Reality Project Erie, PA Chapter

Earth Day 2018's Theme is: Bags, Bottles and Straws: Building a Single-Use-Plastics- Free World.

Erie's Earth Day Summit will be held in
Gannon University's Hammermill Center Located at: 620 Peach St, Erie, PA.

*The Women's March Pennsylvania is co-sponsoring a March to
honor the 48th Earth Day around Perry Square from 4:00 pm – 5:00 pm.*

TIME: 1:00 pm – 4:00 pm (indoor event) & 4:00 pm – 5:00 pm (outdoor march around Perry Square)

Former Vice-President, Al Gore is founder and chairman of The Climate Reality Project and he says: "We Must Change. We Can Change. We Will Change. A sustainable future is in reach. Join us & together we'll make it a reality."

KEYNOTE SPEAKERS: Lois Gibbs & Larry Schweiger

- **Larry Schweiger** is the former CEO of National Wildlife Federation, PennFuture, and current board member of The Climate Reality Project. He has received many distinguished awards for his conservation efforts.
- **Lois Marie Gibbs** is an American environmental activist. A primary organizer of the Love Canal Homeowners Association, Lois Gibbs brought public attention to the environmental crisis in Love Canal.
