

Unitarian Universalist Congregation of Northern Chautauqua

Share the Plate is a way to demonstrate our commitment to nonprofit organizations whose actions are consistent with our principles and sources. As of Summer 2023, **congregants had donated over \$35,000 to these causes!**

The purpose is two-fold: to inform the congregation of the work of the organization-usually by inviting a representative of the organization to speak briefly, to display literature and to answer questions during social hour-and to make a financial contribution in the name of the congregation. Since September 2013, 100% of the non-pledge money received for the Share the Plate recipient is given to the chosen agency.

Since 2009, we have “shared the plate” with numerous recipient organizations, including these:

- Academy Heights Neighborhood Association and The Main Thing neighborhood revitalization project (both in Dunkirk NY) and the Beautification Committee of the Revitalize Dunkirk Project
